LOUISE

Bulletin News Service.
The first experience of winter in this district was felt and we look for a number of days. The mercury went down to the 15 below mark. After the long cold spell, it came as a shock. It did not last long. With the beginning of the present week, balmy breezes began to blow. Those who fled to the sunny south are experiencing the joys of disappointment—high exchange on Canadian money and a beautiful white in Alberta.

The annual Christmas entertainment, which was held in the hall on Friday evening, demonstrated once again the success of community effort. The attendance, program and records. The young folks were very much in evidence, both on the platform and in the audience. All girls and young men enjoyed the enjoyment of the happy occasion. The two presented a charming spectacle in the large crowd and when Santa Claus appeared, the climax of the proceedings was reached.

The program was under the guidance of the public school staff. The Misses Gilmore, Edgar and Buchanan. The various parts were entered into with zest and carried through in an excellent manner by the children. The highest praise is due the teachers for their successful efforts and to Mr. Hollingsworth who assisted in the preparation and organization of the program.

The happy change of all is also Mr. Hollingsworth for the generous donation of candy. Mrs. Johnson gave valuable assistance at the piano. Many of the residents spent Christmas out of town visiting friends in the larger centres. The village, however, was a quiet spot during the holidays. In several homes there is illness. A Christmas tree had been provided and decorated with candles, etc., and Santa Claus came right on time from the north to distribute the presents.—Thorhill, Dec. 25th.

Mr. P. C. Carter, who is reported sick with scarlet fever, one of the high school pupils deserves to be congratulated on the excellence of his work.

On Saturday afternoon, Christmas day, a splendid picture shown, "The Man in Mary" was given free to all the children of the town by Mrs. Heasley, the proprietress of the Ponoka Theatre.

The Christmas entertainment provided by the Ponoka Society proved a most successful event, everybody going home highly pleased with the various items of the program. The most interesting feature for the younger ones being the extracting of the fruit of the heavily laden Christmas tree.

The Rev. E. G. Turner occupied the chair and after a most engaging address carried the program which consisted of the following:—Instrumental, Mrs. Mable James, recitation, Betty Allan, solo, Elizabeth Edwards, recitation, Lela Cooper, song, "If You're Good, Twelve Tiny Girls and Boys," "I want to kiss daddy goodnight," Betty James, recitation, Margaret Allan, song, "He loves me too," four girls, recitation, Barbara Tucker, violin solo, Mr. H. Edmonton Ends Himself to Fans by Brilliant Play—Keats Off Color—Muirhead and Anderson Play Good Games—Canadians Have Strong Team And Will Take Some Beating For The Big Four Championship

That the Calgary Canadians will take some beating this winter is the opinion of Edmonton fans after seeing the home team's five to three defeat to the Eskimos in the opening game of the Big Four schedule at the Edmonton Arena last night.

As an opening game the contest was all that could be expected to be hockey. That the home team was defeated was mainly due to the fact that the Eskimos to bring home the championship again. However, the game was fast enough to suit anyone.

There is room for improvement to the work of the Eskimos. It is some what to be expected that the Eskimos had plenty of their substitutes in the work of the Eskimos. It is some what to be expected that the Eskimos had plenty of their substitutes in the work of the Eskimos.

THE TORTURES OF RHEUMATISM

Happily Stopped When He Began to Take 'Fruit-a-tive'

"For a year I suffered with Rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again. One day while lying in bed, I read 'Fruit-a-tive', the great fruit extract. I decided to try it. The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me." LORENZO LEDUC.

D'Annunzio Surrenders Power To Fiume Communal Council

Commander of Regular Italian Forces Will Arrange Conditions of Peace With Council—True Will Continue Until Conclusion of Conference—D'Annunzio Expected to Sign Capitulation

Fiume, Dec. 29.—Gabriele D'Annunzio early today surrendered all his powers to the Fiume communal council.

General Cavaglia, commander of the regular Italian forces, will arrange the conditions of peace with a delegation of the council today.

Conference Arranged
Fiume, Dec. 29.—A conference for the purpose of arranging the final terms of the conference, signed by the regular Italian forces of General Cavaglia, and D'Annunzio's legation was set for this morning. Meanwhile, military operations have been suspended.

The peace was arranged during the night and will continue until the conclusion of the conference. Major Cavaglia of Fiume, and Captain Robert Wilson, in whose hands D'Annunzio placed the defence of the city, will be the spokesman for Fiume, D'Annunzio apparently being ignored.

Fighting Suspended
Paris, Dec. 29.—Fighting at Fiume between the Italian government troops and Captain Gabriele D'Annunzio's legation has been suspended for a time at least, it was reported here today.

A dispatch from Rome stated that delegates appointed by the mayor of Fiume met General Ferraro, in direct command of the Italian regulars, at Albano, yesterday, and agreed to the terms laid down for the capitulation of the city. D'Annunzio was expected to sign them this morning, and a truce was arranged until noon today.

Peace Capitulation
London, Dec. 29.—Discussion of terms for the capitulation of Fiume took place at Albano at two o'clock yesterday afternoon, says a Milan dispatch to the London Times. The conference was still in session at five o'clock last evening, the minutes were not yet made.

BRITISH LABOR TO SUPPORT SELF-DETERMINATION

Movement is Under Way to Place Full Weight Behind Irish Claims

London, Dec. 29.—A movement, calculated by its organizers to place the full weight of British organized labor behind the Irish self-determination claims, began with a specially arranged conference of the parliamentary labor party in London today, at which several members of the party's committee which investigated the situation in Ireland, told of what they had observed and learned there.

The resolution was adopted unanimously to support the self-determination of the Irish people, and to urge the government to discontinue its policy of repression and to support the claims of the Irish people. The resolution was adopted by a vote of 100 to 10.

Mr. Cameron, chairman of today's conference, in opening the highly discussed of the country committee's report, characterized it as "the most serious indictment against British methods in trying to govern Ireland ever placed before the British people."

The speaker declared: "The manner in which Sir Hamar Greenwood (chief secretary for Ireland) has evaded questions of the rights of common sense, directed upon himself and the house."

Mr. Cameron added that the resolution was adopted by a vote of 100 to 10.

Any Woman's Struggle For Good Health Quickly Rewarded

A SIMPLE HOME TREATMENT NOW ADVOCATED THAT GIVES FINE RESULTS

When a woman's face grows haggard and pale, when she is tired all day and ready to cry when night comes, she ought to know something is wrong.

Putting off only makes matters worse. The best advice for any woman is to take out the following treatment.

At the close of every meal, with a sip of hot water, take two of the following capsules.

These capsules are the best thing going for those who are tired, nervous, and in need of a strengthening, building-up medicine.

Perfomene's action, aids the three principal functions of the body—digestion, assimilation, elimination.

By strengthening digestion, it forms an abundance of rich, red blood—the source of color.

By perfecting assimilation, Perfomene supplies nutrition, builds up strength, vim, stability.

Elimination is secured because Perfomene quickens the action of the liver, kidneys and bowels, and causes the elimination of waste.

LABOR FORCES IN PETERBORO BREAK WITH FARMERS

James Corbett-Campbell is Farmers' Choice—J. H. Burnham as Straight Conservative

Peterboro, Ont., Dec. 29.—"All this" is the cry of the principal in the West Peterboro by-election.

There is a divided state in the labor camp, and it is not in the direction of the Ottawa prospect.

On that occasion the U. F. O. and Labor parties voted as a body, and it is alleged that T. Toomey, M. P. for West Peterboro, secured the victory.

The choice has fallen upon James Corbett-Campbell, of South Monaghan, a laborer well-known as a supporter of U. F. O. policies.

Mr. Campbell has already started his force to work, and his open meeting at Peterboro will likely bring the Hon. T. A. Cresser on the same platform.

J. H. Burnham, M.P., who has been in the campaign well under way, today he gave out the following statement over his own signature.

A story is going around to the effect that since I will not go to the government, the government may endorse me as their candidate. It is not likely, but whether likely or not, I will not accept government endorsement. I hope the election is plain.

I believe that this government is the creature of some big scheme now floating in the air, and I believe it is a deadly danger to Canada. It does that it will stop at nothing, its original aim is to take the country into its hands, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

I am unalterably opposed to it, and I am unalterably opposed to it, and I am unalterably opposed to it.

PLAN IN BRIEF

The Edmonton Bulletin through its Salesmanship Club will award \$15,000 in prizes to the people residing in the field in which it circulates.

This liberal offer is open to both men and women. It costs you nothing to join the Salesmanship Club. Everybody who takes part is sure to be rewarded. You are certain of winning one of the five automobiles, one of the sixty-two other awards, or a substantial sum in cash.

All the awards are to be made according to the subscription credits obtained by the club members. These credits are given on subscriptions to the Edmonton Bulletin from either new or old readers, as shown in the schedule of subscription credits.

Any man or woman (except employees of The Bulletin, or members of their immediate families), married or single, young or old, may join the Salesmanship Club.

Those who wish to join the Club and compete in the campaign may nominate themselves. The entry blank will act as a self-starter and is good for 5,000 credits.

Club members may obtain subscriptions anywhere except from newspapers and newstands and credits will be allowed on all subscription payments.

A list of Salesmanship Club members and the standing of each will appear in The Bulletin from time to time so that the friends interested may note the progress of those competing.

A credit receipt will be issued for each subscription received and the credits or ballots due on these receipts will be published to the standing of the candidates at the discretion of the sales manager.

The Salesmanship Club will be no long drawn-out affair. You are not going to be compelled to wait through a wearisome campaign, or keep in suspense. The campaign starts at once and closes February 12, 1921.

Get busy right away. Send in your entry. Don't let time mark another minute against your chances for success. Those who start early will have the best chance of winning the biggest and best award.

Every candidate is assured a square deal as ABSOLUTE FAIRNESS is the keynote of the Salesmanship Club campaign.

THE candidate obtaining the largest number of credits will be given the \$3,470 Oldsmobile Eight. Second high will win the \$2,800 Essex. Third in line will drive the \$2,565 Grant Six. The member finishing Fourth will win the \$1,275 Chevrolet Touring, and the one rolling up the Fifth highest score will be awarded the \$1,275 Chevrolet Roadster.

Active Balloting Starts at Once
Salesmanship Campaign Ends February 12th

There are two Extra Cash Prizes offered for best work during the first period of the campaign—\$250 for Edmonton candidates and \$250 for candidates outside of Edmonton.

In the event of a tie for any award each member so tied will receive an identical award as that tied for.

Every active member who does not win one of the valuable awards will be paid a cash commission of 10 per cent. on every dollar he or she collects from old or new readers of The Edmonton Bulletin. An active member will be defined as one who turns in at least two subscriptions the last week of the campaign.

The thing to do is to get started now, today—fill out the entry blank below and bring or mail to the Salesmanship Club Headquarters, 9830 Jasper Avenue (Archibald Block, Second Floor). Free printed material will be mailed upon request.
